Candidates with previous teaching experience need not attend the examination as they will be admitted on the recommendation of the Sub-Assistant Inspectresses concerned.

V. CHELLAMMAL,
Headmistress.

Government Training School for Mistresses,
Tanjore, 23rd March 1928.

GOVERNMENT TRAINING SCHOOLS IN THE WEST GODAVARI DISTRICT.

The District Educational Officer, West Godavari, hereby notifies that candidates of the Higher and Lower Elementary grades will be admitted for training in July 1928 in the Government Training Schools, Narasapur and Ellore. Preference will be given to Higher grade candidates.

2. The period of training is two years in the case of students of the Elementary Higher and Lower grades.

3. The rate of provincial stipends sanctioned will be in accordance with the Madras Educational Rules.

4. The District Educational Officer, West Godavari, will make the selection on the recommendations of the Deputy Inspectors of Schools. Each Deputy Inspector should furnish the teachers whose names are recorded in the register maintained in his office as per article 95 of the Inspection Code, with forms of application for admission printed, cyclostyled or manuscript, and on receipt thereof from the candidates, he shall select the applicants according to the instructions given infra. Candidates should be informed that they run the risk of losing their appointments or grants curtailed if, after selection, they fail to join the training school on the appointed date.

5. Two separate lists—One for the Higher Elementary candidates and the other for the Lower Elementary students—and that for each training school must be consolidated in the office of the Deputy Inspector and submitted with a tabular statement containing the following particulars about each candidate :—

(1) Serial number ; (2) name in full ; (3) age on 1st July 1928 ; (4) caste or race ; (5) present appointment ; (6) length of service as teacher ; (7) educational qualification ; (8) language ; (9) guarantee of the manager for providing this applicant with an appointment after training ; (10) whether a stipend is desired ; (11) remarks.

N.B.—Under column (4) must be given the particular caste to which they belong An entry like " Christian of Panchama origin " has no meaning and such applications from the candidates of the depressed classes cannot be considered. Under column (7) must be given (*a*) public examinations passed with year and number of certificate, or (*b*) transfer certificates held, or (*c*) school-leaving certificates held, or (*d*) nature of sessional school certificate held with number and date or (*e*) in the absence of any of the foregoing a certificate from the Deputy Inspector of the range to the effect that the candidate's educational qualifications entitle him to admission. Higher Elementary students should possess a Lower Secondary Examination certificate or a transfer certificate of having secured promotion from the third form, or an Elementary School-Leaving certificate of having successfully completed the course of instruction in the eighth standard.

6. The tabular statement should contain the names of the candidates in the order in which the Deputy Inspector desires that the selection should be made, and they should be selected with reference to their service as teachers, the need for their training, age, the school from which they apply, their qualifications and the nature of the appointment held by them. The attention of the Inspecting officers is directed to Madras Educational Rules 113 and 114. It is expected that each Deputy Inspector's list will contain at least ten names for each grade. It should ordinarily include only the names of persons actually engaged in teaching.

7. Teachers employed permanently in local board schools will not be paid any stipends from provincial funds. If there is any provision in the local fund, or the municipal budget under stipends to teachers, applications may be obtained from such teachers with the consent of the President, Taluk Board, or the Chairman of the Municipal Council, as the case may be, and submitted with a separate list for each training school and for each grade. Clear information should be furnished regarding the nature of the appointment held by them (permanent, sub. *pro tem.* or acting as the case may be).

8. *A true copy of the certificate of general education of each candidate attested by the Deputy Inspector concerned should be attached to the application.* The original certificate should be produced when the candidate joins. Separate conduct certificates need not be submitted by the candidates whose applications are signed by the Inspecting officers, or presidents of local boards.

9. Every student will be on probation for fifty working days.

10. Supplemental lists will not be considered after the prescribed date on any account.

Secondary School-Leaving Certificate holders should attach to their applications extracts of marks obtained by them at the Public Examination with the Presidency average in each subject. The selected candidates should produce their original certificates on the day of admission.

3. The period of training will be two years in the case of Secondary School-Leaving Certificate holders and one year in the case of those who have completed the Intermediate course and the number of provincial stipends available is 40 at Rs. 12 each.

4. Where accommodation and other circumstances permit, a few candidates of the required qualifications whose stipends are to be paid from Board or Municipal funds will also be admitted.

5. Candidates applying for admission from other districts should submit their applications through the District Educational Officers concerned.

6. Applications should invariably be countersigned by managers of recognized schools. In the case of applicants from Elementary schools, their applications should be submitted through the Deputy Inspectors of the ranges concerned.
